2010 MEMBERSHIP RENEWALS

SIDE BY SIDE WITH THE YUENDUMU COMMUNITY

The Collingwood Industrial Magpies, now in its 8th year of operation, is urging all members past and present to renew their membership for the 2010 year.

The Collingwood Industrial Magpies has been acknowledged by Eddie McGuire, President of the Mighty Magpies at the 2009 Club AGM as being a great example of a coterie group of the Collingwood Football Club that does great things in the community.

The Industrial Magpies are looking to continue and grow the work they are doing with Indigenous communities but cannot do so without your financial help. Membership funds play a critical part in ensuring we are able to fund projects each year to allow us to stick together side by side with the Yuendumu Community and the Yuendumu Magpies.

In recent years your membership has also allowed us to also offer financial assistance through prizes with the local indigenous community through the Fitzroy All Stars. We are looking forward to continuing this relationship in 2010.

Your membership funds in 2010 will be used to fund the following projects:

- Continuing to provide awards and prize money to the Yuendumu Magpies and the Fitzroy All Stars.
- Providing much needed funds for petrol for the Yuendumu Magpies to travel to games.
- Providing an electronic scoreboard for the home ground of the Yuendumu Magpies. This will ensure a permanent presence of the Industrial Magpies at the launching ground of Liam Jurrah and other future AFL stars.
- Providing assistance with bringing future AFL stars from Yuendumu to witness the mighty Collingwood Magpies in action at the home of football, the MCG.
- Funding of seats in the Collingwood Community Bay for disadvantaged local indigenous people to attend Collingwood games. This will be done through the assistance of the Fitzroy All Stars identifying worthy recipients.
- Networking evenings for members.

Membership is only \$50 for the 2010 Calendar year. Different payment options can be found overleaf. We urge all past and present members to renew their membership. We also encourage you to urge new members to join our group. This small investment will go along way in the Industrial Magpies achieving their goals in 2010.

As the Collingwood Football Club grows from strength to strength in 2010 we hope that we too can grow from strength to strength to continue to be acknowledged as a great example of a coterie group of the Collingwood Football Club by providing this valuable help to indigenous communities.

Industrial Magpies, Yuendumu Magpies and the Collingwood Football Club, Side by Side we stick together to uphold the Magpies name.
