Cancellation of Social Event

We have been requested by Leon Davis to postpone the 'honour the champs' event in light of the sad passing of Lionel Rose and the proximity of the social event to the State Funeral to be held at Festival Hall on Monday 16 May.

As such, the event of 20 May 2011 to be held at Arnold Bloch Leibler has been postponed. We will advise of the details in the near future.

Thanks for your support.
